Phone call w/ Judy Malmquist of Defense

11.1.2
8/13/96
8-13-

Chehalis Site

If there are drums found, need to do an extensive photo record to see if there are any Military markings. If so, there may be a way to trace it to see if there are records on what might be in drums.

Bruce Noble 616-861-7412 is technical person for Defense. If we find something, he should be contacted

No charges at this point for search because it maybe 3rd party site
