Feasability Study
Early Action Guidelines

*Draft

Walley - Fish samp underway
Sed sampling locations - next few weeks -
Rest of work plan - later this year.

* NO NARRATIVE EXECUTIVE SUMMARY (YET).
* NOT MADE FOR PUBLIC TRANSPARENT PROCESS.

Joe - needed more heads up on timeframes to comment to EPA.
- fish sampling is of interest to him; it's already underway
- want comments to be meaningful.

Regina - some info should be in plan but was not.
3 PROBLEMS.
- INADEQUATE DOCUMENTATION.
- DIFF BETW EPA/DEQ GUIDANCE.
- RATIONALE NOT CLEARLY DEMONSTRATED OR INCONSISTANCY
  ie. FOR NOT DOING surface water evaluation pathway of concern.
