Dear EPA,

As Linnton residents, we:

- support plan G (1000+ acres dredging added)

or

- support plan H
- request independent monitoring (air, water, noise)
- a cleanup ⇒ healthy fish
- oppose toxic waste dump at T 4 adjacent to river
- tank farms in Linnton need to be controlled
- do not allow contaminants to remain in the river
- do not allow toxics to flow down river
- request polluters pay for cleanup
