Dear EPA, (1) Maintain Federal oversight of Willamette River cleanup — do not delegate to State of Oregon.

(2) As a general goal, I support the goal of making the fish from the river safe to eat again. Not that long ago, it was safe to eat the fish — it can be so again. (3) I support alternative G. (4) I support the ~~Rat~~ Yakama Nation's recommendations. (5) I support the "polluter pays" policy but it is OK by me to also raise funds via Federal tax funds.
