4935

Comments: (use back for additional comments)

As a former resident of Portland (1985-1995) I appreciated the work that former Governor Tom McCall did for the state of Oregon. Walking along Tom McCall Waterfront is a fitting honor to him. I wish he had known about the SERIOUS POLLUTION (DEADLY POLLUTION) that existed just below the river surface. HE WOULD HAVE been horrified and would have done something to clean it up — Please do not let these

☐ please sign me up for notification of important developments in the superfund process

Pollutants continue to threaten / harm our health.

Please help us to recover our natural river so that fish can survive better, so that our children can see what can be done to make the river safer and healthier

Do the Gt plan Please!
