Pues a mi me gustaria que inviten a mas Persona Para limpiar el rio lamás Pronto Pocible Ya que con eso todo seria más rapido de limpiar entre mas Personas Participen Pronto beremos limpio el rio y ya no tendriamos que preocuparnos mas ya que con eso nos sentiriamos mas Confiados en comer el pescado sin temor a contaminarnos il uniendo fuerza se lograra nuestra meta.

I would like it if they invited more people to clean the river as soon as possible since this would make it faster, since the more people that participate, the faster we will have the river clean and then we would feel more confident about eating the fish without fear of being contaminated. By joining forces we would meet our goal.
