

# **EPA Reviews Cleanup McAdoo Associates Superfund Site**

The U.S. Environmental Protection Agency (EPA) is conducting a Five-Year Review of the McAdoo Associates Superfund Site located in McAdoo, Schuylkill County. EPA inspects sites regularly to ensure that cleanups conducted remain fully protective of public health and the environment. Prior reviews have determined the cleanup remedy is protective. The results of this review will be available by August 2015.
