Early De Minimis Settlement Trust

DECLARATION OF TRUST
BEEDE WASTE OIL EARLY DE MINIMIS SETTLEMENT TRUST

On this 10th day of January, 2001, State Street Bank and Trust Company, a Massachusetts bank and trust company, ("Trustee") hereby declares as follows:

WHEREAS, the Beede Waste Oil Superfund Site (the "Site") is a former waste oil facility located in Plaistow, New Hampshire, which is a federal Superfund Site;

WHEREAS, there have been releases and threats of releases of hazardous substances at the Site, and, as a result, EPA designated the Site as a Superfund Site ("Site") by placing it, pursuant to Section 105 of CERCLA, 42 U.S.C. § 9605, on the National Priorities List, set forth at 40 C.F.R. Part 300;

WHEREAS, the U.S. Environmental Protection Agency ("EPA") has incurred response actions in connection with the Site, and contends that certain potentially responsible parties are liable for such response cost pursuant to Section 107(a) of CERCLA, 42 U.S.C. § 9607(a);

WHEREAS, the United States, and approximately 954 parties at the Site now seek to enter into a settlement pursuant to Section 122(g) of CERCLA, 42 U.S.C. § 9622(g), ("Administrative Order on Consent" or "Consent Order") which will resolve the approximately 570 parties' alleged responsibility for past response costs at the Site;

WHEREAS, the proposed Consent Order requires the Respondents to send their settlement payments to a trust fund, and redistribution of the Respondents' payments to the EPA.

NOW, THEREFORE, the Trustee declares as follows:

1. Establishment of Trust. The Trustee promptly shall establish a segregated trust account in its corporate trust department which shall be known as the "Beede Waste Oil Early De Minimis Settlement Trust" ("Trust").

2. Declaration of Purpose. The Trust is established and shall be administered by the Trustee for the purpose of holding, investing and disbursing funds collected from the Respondents entering into the settlement agreement between the EPA and the Respondents regarding the Site (the "Consent Order"). The EPA is the beneficiary of the Trust.

3. Payments

a. The Trustee shall have no authority or responsibility hereunder to collect any contributions to the Trust from any party and shall have no responsibility hereunder or otherwise with respect to the Respondents' compliance with the terms of the Consent Order.

b. The Trustee shall promptly deposit into the Trust all payments received from Respondents. The Trustee shall maintain a record of the name and address of each Respondent making a payment together with the amount and date of the payment.

**Appendix D - Beede Waste Oil Superfund Site
Early De Minimis Settlement Trust**

4. Principal, Interest and Expenses of Trust

a. All monies deposited in the Trust or earned by the investment or reinvestment of such monies ("Trust Funds") shall remain in the Trust and may not be withdrawn by any person, except to make the refunds required by Paragraph 6, payments required by Paragraph 7, or to pay taxes and expenses associated with tax return preparation and filings as provided in Paragraph 12.

b. The Trust Funds shall be used by the Trustee to pay taxes incurred by the Trust as well as any tax return preparation expenses, and tax filing fees. The remaining Trust Funds will remain in the Trust and may not be withdrawn by any person, except to make the refunds provided under Paragraph 6 or the payments provided under Paragraph 7.

c. The Trustee may deduct from the Trust Fund such fees as described in the Fee Schedule attached as Appendix A hereto.

5. Investment of Trust Funds. The Trustee shall deposit and hold all Trust Funds in an account and shall invest such funds in State Street's Insured Money Market Account unless otherwise directed in writing by the Director, Office of Site Remediation & Restoration ("OSRR"), U.S. Environmental Protection Agency - New England Office ("Director, OSRR"). All earnings received from the investment of the Trust Funds shall be credited to, and shall become a part of, the Trust, (and any losses on such investments shall be debited to the Trust). The Trustee shall have no liability for any investment losses, including without limitation any market loss on any investment liquidated prior to maturity in order to make a payment required hereunder.

6. Refunds

a. Refunds from the Trust. Promptly upon receipt by the Trustee of a certificate from the Director, OSRR stating that the EPA decided not to enter into the Consent Order, the Trustee shall refund promptly all contributions previously made to the Trust by the Respondents. Any such refund shall include the original principal amount of the payment and any earnings from the investment of such amounts, less accrued taxes and a pro-rata share of any Trustee fees.

b. Refunds to Individual Respondents. If at any time prior to approval of the Consent Order, (i) new information shows that a Respondent sent hazardous waste to the Site for treatment or disposal in excess of 1000 gallons; or (ii) EPA determines based on new information that a Respondent's hazardous waste disproportionately contributed to the cumulative toxic or other hazardous effects of the waste at the Site, such Respondent shall be disqualified from participation in this Consent Order, and the Trustee shall, within thirty (30) days of receipt of written notification by EPA of such disqualification, refund such Respondent's trust payment and any earnings from the investment of such amounts, less accrued taxes and a pro-rata share of any Trustee fees.

b. Within 30 days of receipt of written notice of approval of the Consent Order, the Trustee shall disburse the Trust Funds to the EPA less amounts to be refunded pursuant to Paragraph 6 or paid pursuant to Paragraphs 4.b, 4.c, 6, 12, or 14.

9. Concerning the Trust. The Trustee acts as a trustee only and not personally, and in respect of any contract, obligation or liability made or incurred by the Trustee in good faith, all persons shall look solely to the Trust and not to the Trustee personally. The Trustee shall not incur personal liability of any nature in connection with any act or omission, made in good faith, in the administration of this Trust, including in following instructions provided pursuant to the provisions of this Declaration with respect to the payment of monies hereunder. The Trust shall indemnify and hold harmless the Trustee from and against any personal liability by reason of any action or failure to act or conduct in his/her official capacity, made in good faith. The Trustee (i) shall not be responsible for the Consent Order, or for determining or compelling compliance therewith, and shall not otherwise be bound thereby; (ii) shall be obligated only for the performance of such duties as are expressly and specifically set forth in this Agreement on its part to be performed, and no implied duties or obligations of any kind shall be read into this Agreement against or on the part of the Trustee; (iii) may consult counsel satisfactory to it, including in-house counsel, and the opinion or advice of such counsel in any instance shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in accordance with the opinion or advice of such counsel. In no event shall the Trustee be liable for indirect, punitive, special or consequential damage or loss (including but not limited to lost profits) whatsoever, even if the Trustee has been informed of the likelihood of such loss or damage and regardless of the form of action.

10. Disputes. In the event a dispute of any kind arises in connection with this Agreement (including any dispute concerning indemnification of the Trustee), the Trustee may, in his/her sole discretion, elect to commence an interpleader action and pay all or any portion of the Trust Funds to the United States District Court for the District of New Hampshire and to provide a complete accounting of all monies paid into the Trust or paid out of the Trust by the Trustee. In the event of such payment, it is understood that Trustee will have no further obligation to the Respondents, and/or the EPA with respect to the amount so paid.

11. Inalienability of Interests of Beneficiaries. The interest of each beneficiary in the income or principal of the Trust hereunder shall be free from the control or interference of any creditor and shall not be subject to assignment, attachment, anticipation or alienation.

12. Interest, Expenses and Taxes of the Trust. The interest or other income earned on the principal in the Trust will be used to pay the expenses of the Trust, including, without limitation, the initial acceptance fee, administration fees, causing tax returns to be prepared, legal

expenses directly related to, and reasonably necessary for, the management of the Trust, transaction fees, taxes, if any, incurred by the Trust, tax filing fees, and other miscellaneous expenses of the Trust. The remaining interest or income earned on the principal in the Trust will remain in such Trust to be used for funding of future response actions at the Site.

13. Accounting. By December 30, 2000, the Trustee shall prepare a statement setting forth each payment received by the Trustee, the identity of the Respondent making such payment, the date such payment was received, the total amount of Trust Funds in the Trust, the amount of any interest and/or income earned on the Trust Funds, and the amount of any taxes paid by the Trustee. The Trustee shall prepare an updated accounting quarterly thereafter until the Trust is terminated, which accounting shall be prepared in accordance with generally accepted accounting procedures. Said accountings shall be sent to the EPA as provided in Paragraph 8.

14. Tax Treatment and Tax Return Preparation. It is intended that this Trust be a Qualified Settlement Fund under Internal Revenue Code Section 468B and Reg. 1.468(B) and taxable as a so-called complex trust to which Internal Revenue Code Sections 661, 662 and 663 apply and not as a partnership, corporation or grantor trust, that is, a trust whose property is deemed to be owned by one or more grantors or other persons pursuant to one or more of the Internal Revenue Code Sections 671 through 678. The Trustee (or a tax administrator engaged by the Trustee at the expense of the Trust) shall file tax returns for the Trust on the assumption that it is a complex trust, unless and until it is determined or the Trustee otherwise has reason to believe the Trust is other than a complex trust. In the event this Trust is determined, or is in the sole judgment of the Trustee at risk of being determined, to be other than a trust which is taxable as such a complex trust and it is prudent to reorganize the Trust so that it shall be such a complex trust, then the Trustee is authorized to execute such amendment to this Trust Agreement, restatements of this Trust Agreement, new trust agreement, instruments of assignment, plans of reorganization and other documents as are appropriate to enable the Trust or a successor to the assets of the Trust to be a trust which is taxable as such a complex trust; provided always, in no event shall the effect of any such reorganization be to change the purposes hereof, divert the assets of this Trust otherwise than for its original purposes set forth herein or enlarge the powers or responsibilities of the Trustee.

15. Trustee Compensation. The Trustee shall receive compensation for its services as a Trustee under this Trust Agreement pursuant to the Fee Schedule attached hereto as Appendix A. The Fee Schedule shall be binding upon the Trustee, and any change to the Fee Schedule shall become effective only upon the written approval of the EPA.

16. Appointment of Successor Trustee.

a. The Trustee may resign at any time by delivering his/her resignation, in writing, to the EPA, such resignation to take effect upon the appointment of a successor Trustee.

b. The EPA may remove the Trustee at any time, by delivering notice of such removal in writing to the Trustee, such removal to take effect ten days thereafter, or on such later date that may be specified in the notice.

**Appendix D - Beede Waste Oil Superfund Site
Early De Minimis Settlement Trust**

c. Any vacancy in the office of the Trustee created by bankruptcy, insolvency, death, disability, resignation, removal or succession, as provided herein, shall be filled by an appointment in writing of a successor Trustee.

d. Any successor Trustee shall be appointed by the Director, OSRR.

e. Acceptance of appointment as a successor Trustee shall be in writing and shall be mailed to the EPA as provided in Paragraph 8.

f. A successor trustee shall have all of the rights, powers, duties, authority and privileges as if initially named as a Trustee hereunder.

g. A copy of each instrument of resignation, removal, appointment and acceptance of appointment shall be attached to an executed counterpart of this Trust Agreement in the custody of the Trustee and a copy shall be furnished to the EPA.

17. Choice of Law. This Trust Agreement shall be administered, construed, and enforced according to the laws of the State of New Hampshire except to the extent that federal law shall apply to questions arising under CERCLA or the National Contingency Plan, including any amendment thereto.

18. Consent to Jurisdiction and Services. The Trustee absolutely and irrevocably consents and submits to the jurisdiction of the courts of the State of New Hampshire and of any Federal court located in said State in connection with any actions, proceedings or disputes arising out of or relating to this Agreement. In any such action, proceeding or dispute, the Trustee hereby absolutely and irrevocably waives personal service of any summons, complaint, declaration or other process provided that the service thereof is made by certified or registered mail directed to the Trustee at his/her address in accordance with Paragraph 8.

19. Termination. This Agreement will terminate upon the disbursement of all of the Trust Funds in accordance with the provisions of Paragraph 7.

20. Modifications. This Agreement may not be altered or modified without the express written consent of the Director, OSRR.

21. Reproduction of Documents. This Agreement and all documents relating hereto, including, without limitation, (a) consents, waivers and modifications which may hereafter be executed, and (b) certificates and other information previously or hereafter furnished, may be reproduced by any means. Any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding, whether or not the original is in existence and whether or not such reproduction was made by the Trustee in the regular course of business, and any enlargement, facsimile or further reproduction of such reproduction shall likewise be admissible in evidence.

22. Counterparts. This Agreement may be executed in separate counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

Re: Declaration of Trust - Beede Waste Oil Early De Minimis Settlement Trust

Dear Mr. Ma:

There is a printing error in the Declaration of Trust for the Beede Waste Oil Early De Minimis Settlement Trust in paragraph number 13 "Accounting" on page 5, where it states that the Trustee's first statement shall be prepared by December 30, 2000. Instead, that paragraph should read that the Trustee's first statement shall be prepared by June 30, 2001. The paragraph now states in full:

13. Accounting. By June 30, 2001, the Trustee shall prepare a statement setting forth each payment received by the Trustee, the identity of the Respondent making such payment, the date such payment was received, the total amount of Trust Funds in the Trust, the amount of any interest and/or income earned on the Trust Funds, and the amount of any taxes paid by the Trustee. The Trustee shall prepare an updated accounting quarterly thereafter until the Trust is terminated, which accounting shall be prepared in accordance with generally accepted accounting procedures. Said accountings shall be sent to the EPA as provided in Paragraph 8.

Please indicate your agreement by signing and dating below and returning to Kristin Balzano at U.S. Environmental Protection Agency, Office of Environmental Stewardship, Superfund Legal Office (SES), 1 Congress Street - Suite 1100, Boston, MA 02114-2023.
