## RESCISSION OF UNILATERAL ADMINISTRATIVE ORDER FOR REMEDIAL DESIGN, REMEDIAL ACTION, AND OPERATION AND MAINTENANCE

By my signature, EPA issued the Unilateral Administrative Order for Remedial Design, Remedial Action, and Operation and Maintenance, CERCLA 01-2012-0045 ("Order"), to AVX Corporation ("AVX") on April 18, 2012, for the New Bedford Harbor Superfund Site ("Site"). However, the effective date of the Order has been delayed through eleven modifications. Following the issuance of the Order, on October 10, 2012, a proposed Supplemental Consent Decree between the United States, the Commonwealth of Massachusetts, and AVX was lodged with the U.S. District Court (*United States v. AVX Corporation, et al.*, Civil Action No. 83-3882-Y (D. Mass.)). On September 19, 2013, the District Court entered the Supplemental Consent Decree. The appeal period for the District Court's ruling approving the settlement expired, on November 18, 2013, with no appeal having been filed. In accordance with the court-approved Supplemental Consent Decree (p. 4), EPA hereby rescinds the Order.

So Ordered, this 26 day of November, 2013.
