Dear Sir/Madam:

In Response to your letter on May 10, 1983, for information in your investigation of problems of contaminations of Wells G and H in the city of Woburn.

We are yielding answers in the order requested.

1. Waterrest Products, Inc. First occupied the site 11/78.
2. Present Owner of our rental
Cumings Industrial Park
200 West Cumings Park
Woburn, MA 01801
3. We were first occupants.
4. No manufactured products or process.
5. We retail waterbeds and bedroom furniture. To prevent the growth of algae and condition the vinyl of the mattress against cracking, we sell a "Multi-purpose conditioner", as follows:

Product Name: Catch 5 Conditioner
Catch 5 Multi-Conditioner

Generic Name: Unknown to us. (We purchase in plastic bottles for resale. No processing done by us).

Purchased thru: Monterey Manf., Inc.
12828 South Broadway
Los Angeles, CA 90061

6a. During the period of time to May, 1979 we purchased these chemicals from Blue Magic Products, Box 4175, Stockton, CA.

As far to give you information on number of bottles purchased, one bottle goes to each bed sold by us in 2oz., 4oz., or 8oz. size. On the number purchased, we shall estimate we sell 400-600 beds each month and a bottle of Algae Conditioner for each bed. The life of the chemical ranges from six months to 24 months inside the mattress.
