ADMINISTRATIVE RECORD

February 4, 1986

Mr. David Webster
Project Engineer
U.S. Environmental Protection Agency
John F. Kennedy Building
Room 1903
Boston, Massachusetts 02203

Subject: Silresim Site - Fencing at B & L Auto Salvage Yard

Dear Mr. Webster:

Per our telephone conversation of February 3, 1986, please find enclosed a sample drawing, and specifications for fencing. These items should provide you with reference on fencing.

If you have any questions or comments, please call me.

Yours very truly,

Patrick C. Falvey
