

# DIRECTORY OF FEDERAL, STATE, AND LOCAL GOVERNMENT OFFICIALS

FOR OCEAN COUNTY AND TOMS RIVER, NEW JERSEY

This directory of Federal, state, and local government officials is provided as part of a public information program being conducted in Toms River, New Jersey by the U.S. Environmental Protection Agency (EPA). The purpose of the program is to address the public's questions and concerns about environmental health issues associated with the Superfund investigation of the CIBA-GEIGY Corporation in Toms River, and other issues in the community. In keeping with this goal, the names, addresses, and phone numbers of officials with authority related to environmental protection are included in this directory to assist citizens in directing inquiries to the appropriate government official.

This directory is organized to provide information on

- Local and state government agencies listed first, followed by
- Offices within the U.S. Environmental Protection Agency
- Elected Federal and state representatives.
