Attn: Mr. Douglas Tomchuk

Subj: Written comment in connection with proposed capping of
remnant deposits, Fort Edward, NY

Dear Mr. Tomchuk,

I enclose my written comments with respect to the public hearing
conducted by EPA in Fort Edward, NY on Tuesday, 29 August 1989.

The disjointed document I left at the end of the meeting should
be discarded and the enclosed substituted for it.

Thank you for your attention to this submission.

Respectfully submitted,

John E. Sanders
