Re: Hudson River PCBs Site - Oversight Committee

Dear ^F2^

This serves as a follow-up to Kathleen Callahan's letter, dated March 6, 1991, which invited your participation on the Hudson River PCB Oversight Committee (HROC). The first meeting of the HROC will be held at 6:00 p.m. on April 4, 1991. The meeting will be held in the Fireside Lounge in the Marist College Campus Center Building, Poughkeepsie, New York. Directions to Marist College are enclosed. Parking permits are necessary on campus, so please call me as soon as possible so that a permit can be waiting for you when you arrive. If you do not notify me in advance, please allow yourself fifteen minutes to obtain a permit.

The meeting will focus on the Phase I Work Plan for the Reassessment Remedial Investigation and Feasibility Study.

If you have any questions, please contact me at (212) 264-7508.

Sincerely yours,

Douglas J. Tomchuk, Project Manager
