Dear Mr. Lynch:

Recently Mr. Robert Goltz of the USEPA requested that I send you five (5) additional copies of the Draft Combe Fill South RAMP. Please find these copies enclosed for your review and use. These copies have been numbered CF-15-D through CF-19-D as part of the NUS Corporation Quality Assurance Program.

We look forward to receiving the review comments from the NJDEP on the Draft Combe Fill South RAMP.

Very truly yours,
