Ms. Ruth M. Maikish
Project Manager
LMS Engineers
One Blue Hill Plaza
Pearl River, New Jersey 10965

Dear Ruth:

Enclosed please find the package of Risk Assessment Guidance we promised you. This version was received by our in-house RA specialist, Dr. Maria Pavlova, only last Friday, so it is definitely up-to-date. If you need any additional documents or information, please do not hesitate to call me at (212) 264-7604.

Sincerely yours,

Kirk Stoddard, Project Manager
Northern New Jersey Remedial Action Section
