Consistent with the protocols for community involvement, as recipient of the Technical Assistance Grant for this site, Scenic Hudson, Inc., is invited to submit written comments or concerns to the Board concerning site-specific issues, not to exceed ten (10) pages in length, to be included with the informational package that EPA Region 2 submits to the NRRB.

Please send your submittal no later than Friday, October 6, 2000 to me at the following address:
