Re: Hudson River PCBs Site - Data Needs

Dear Mr. Claussen:

Enclosed is a copy of a letter, prepared by EPA's contractor, TAMS Consultants, Inc., pursuant to the December 17, 1990 meeting held between EPA, TAMS, DEC and the General Electric Company (G.E.). This letter requests specific information from G.E. which is necessary to complete the database that TAMS is compiling for the Reassessment RI/FS. Please provide this information at your earliest convenience.

If you have any questions, please contact me at (212) 264-7508.

Sincerely yours,
