Hudson River PCBs Reassessment Project

The U.S. Environmental Protection Agency will hold its next public meeting to discuss the Proposed Plan for the Hudson River PCBs Reassessment project at the Saddle Brook Marriott in Saddle Brook, New Jersey. At this meeting, officials from the EPA will continue to take comment and answer questions regarding the Agency's proposed plan for addressing the contaminated sediments in the Upper Hudson River. This is an important and historic moment in the future of the Hudson River. Public participation and comment is an important facet of EPA's process and your input is important. Please make every effort to attend.
