**Attention: Ms. Merrilyn Pulver
Town Councilwoman**

Dear Ms. Pulver:

I wanted to take the time to thank you for your letter regarding the PCB Dredging. I thought it would be of interest to you to know that the Town of Livingston has passed a resolution that went to our Congressman Gerald B. Solomon regarding the opposition of this project.

I also know that other Towns in Columbia County has done the same, as well as the County itself.

If there is anything else you would like to inform us about, please do so.

Thank you.

Sincerely,

Linda S. Fix
