Helen

Sorry for the late reply. I have the data for the birds you requested. The only information we have is locality. The mammals are going to take more time. Hopefully by the end of the week I'll have the info.

For birds these are the data we have

Bald eagle- one specimen from Zena, Ulster Co, 2 September 1936

Red-shouldered hawk- 2 specimens from Orangeburgh, Rockland Co, 6 June 1907

Short-eared owl- 3 specimens Rockland Co, 1905

Bluebird- 3specimens Libertyville, Ulster Co, 23 May 1893, Poughkeepsie, 1899 and
Amenia, Dutchess CO 14 March 1955

Grasshopper sparrow- 1 specimen, Livingston, Columbia Co, 16 January 1958
