**From:** "Ronald V Allen" <rallen@usgs.gov>  
**To:** <pang@tamsconsultants.com>  
**Date:** 5/30/01 11:55AM  
**Subject:** water quality data, water years 1985-99, for three Hudson River Stations: 01327750, 01331095, 01335770.

Helen Pang:

The subject data are in the attached files.

As I mentioned to you, we have very little bottom material data. Limited data are in the file named, " hud8599.wri ". Water column nutrient data is in the file named, " hudnutr.wri ". Station identification information is in file, " hud8599.qsit ".

(See attached file: hud8599.wri) (See attached file: hudnutr.wri)  
(See attached file: hud8599.qsit)
