Re: Hudson River PCBs Oversight Committee

Dear 2-

A meeting of the Hudson River PCBs Oversight Committee (HROC) has been scheduled for Tuesday, October 22, 1991 at 6:30 p.m. at the Ramada Inn in Poughkeepsie, New York. A card with directions to the Ramada Inn is enclosed.

The purpose of this meeting is to discuss comments and questions on the Phase 1 Report and activities that EPA will undertake following Phase 1. The public comment period for the Phase 1 Report closes on October 25, 1991, after which a responsiveness summary will be prepared. Please provide any written comments on the Phase 1 Report to the project manager, Douglas Tomchuk, at the address below:

Mr. Douglas Tomchuk
Hudson River PCBs Site Project Manager
U.S. Environmental Protection Agency
Region II - Room 747
26 Federal Plaza
New York, New York 10278.

Since George Pavlou has taken a new position within EPA, I will now be chairing the HROC. I hope that this committee will continue to be a useful part of the Reassessment process.

If you cannot attend the meeting please send an appropriate alternate, so that all concerns will be represented at the meeting.

If you have any questions, please contact Ms. Ann Rychlenski, of the Office of External Programs, at (212) 264-7214.

Sincerely yours,

William McCabe
