Dear HROC Member:

This letter is to inform you that EPA will hold a meeting of the Hudson River PCBs Oversight Committee (HROC) on Wednesday, January 21, 1998, at 7:30 p.m. The meeting will be held at the Holiday Inn, 946 New Loudon Road, in Latham, New York. The telephone number of the Holiday Inn is 518-783-6161.

As the representative for your group or agency on the HROC, I hope that you will be able to attend. If you will not be able to attend we request that you send an alternate. Please call Douglas Tomchuk, EPA's project manager, at 212-637-3956 to notify EPA of any such changes.

The primary agenda items will be the changes that EPA proposes to the Community Interaction Program and a discussion on the Landfill/Treatment Facility Siting Survey that EPA is releasing January 2, 1998. In addition, each member should be prepared to present an update of relevant activities that their group/agency has been involved with recently. If you have specific topics you would like to add to the agenda, please inform Mr. Tomchuk what you would like to discuss by January 14th.

Sincerely yours,

A handwritten signature in cursive script that reads "William McCabe".
