Dear Citizen Liaison Group Member:

A meeting of the Citizen Liaison Group under EPA's Community Interaction Program for the Hudson River PCB Reassessment will be held on Tuesday, March 5, 1991, at 7:30 p.m. at the following location:

Town of Saratoga Town Hall Basement  
30 Ferry Street  
Schuylerville, NY 12871

This will be a working session to discuss with your Chair and Co-Chairpersons issues of concern to the citizen population regarding EPA's Reassessment of the Hudson River PCB problem. It is important that a cohesive list of particular concerns, suggestions and questions be forthcoming from the group in time for the first Steering Committee Meeting (which your Chair and Co-Chairpersons will attend) to be held on March 12, 1991.

At our first meeting on Wednesday, February 13, 1991 in Saratoga Springs, New York, Judith Schmidt-Dean was elected Chairperson of the Citizens Liaison Group. If you have any questions concerning the upcoming meeting on March 5, you can contact Ms. Schmidt-Dean at (518) 639-4486 extension 283, or (518) 695-3193. If you have any questions regarding EPA's Community Interaction Program, please feel free to contact me at (212) 264-7214. Thanks for your interest and participation, and I look forward to our working together towards a clean and healthy Hudson River.

Sincerely,

Ann Rychlenski, Community Relations Coordinator  
U.S. EPA, Region 2
