

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

REGION II

JACOB K. JAVITS FEDERAL BUILDING

NEW YORK, NEW YORK 10278

July 1, 1991

Dear Agricultural Liaison Group Member:

At the recent meeting held by EPA in Hudson, New York, during which the Work Plan for Phase 2 of the Hudson River PCB Reassessment was discussed, a request for a briefing on that same subject was made by some members of your Liaison Group.

Therefore, on behalf of your Chairman, Tom Borden, I would like to invite you to attend a briefing on the Phase 2 Work Plan to be conducted for the Agricultural Liaison Group on Thursday, July 9, 1991, at 7:30 p.m. at the Town of Saratoga Town Hall, located at 30 Ferry Street in Schuylerville, New York (across the street from the post office).

This will be an informal briefing by Doug Tomchuk, EPA's Remedial Project Manager for the Reassessment. In addition, I would like to inform you of the extension of the public comment period on the Phase 2 Work Plan from July 10 to July 24, 1992. Written comments should be sent by close of business on that date to Doug Tomchuk, Remedial Project Manager, U.S. EPA, Region 2, 26 Federal Plaza, New York, NY 10278.

You may also be interested to know that on Friday, July 10, 1992, there will be a meeting of the Scientific & Technical Committee. The meeting will be held at 10:00 A.M. at the Holiday Inn in Latham, New York. Meetings of the Scientific & Technical Committee are working sessions during which questions and/or comments from observers are not taken. In addition, seating for observers is limited.

Thank you for your continued participation and interest. If you have any questions, please contact me at 212/264-7214.

Sincerely,

A handwritten signature in cursive script, appearing to read "Ann Rychlenski".
