

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

REGION II

JACOB K. JAVITS FEDERAL BUILDING

NEW YORK, NEW YORK 10278

September 30, 1991

Dear Liaison Group Member:

A meeting of the Steering Committee for the Hudson River PCB Reassessment has been scheduled for Wednesday, October 16, 1991 at 7:00 P.M., at the HoJo Inn in Saugerties, New York (at exit 20 on the New York State Thruway). The purpose of this meeting is to allow the Chairs and Co-Chairs of the four Liaison Groups to discuss the concerns and comments of the Liaison Group membership with regard to the recently released Phase 1 Report.

This meeting is important since it brings your thoughts, comments and questions on this document and the Reassessment Project to the Hudson River Oversight Committee, through your Liaison Group officers. There will be a meeting of the Hudson River Oversight Committee on Tuesday, October 22, 1991, at 6:30 P.M. at the Ramada Inn on Route 9 in Poughkeepsie, New York.

If your Liaison Group has not met to discuss the Phase 1 Report, I suggest that you get together before October 16th. I will be pleased to assist you with mailing out meeting notices to your respective groups, as I have recently done for the Citizens and Agricultural Groups. If you can not meet with your Chair or Co-Chairs in person, please make certain to get your comments to them by phone.

Since your Group officers will be representing you at the Steering Committee meeting, it is not necessary that you attend. However, a limited number of seats for observers will be available. Please note that since this is a working session, no comments or questions will be taken from the public during the proceedings.

Enclosed for your information is a copy of the agenda for the Steering Committee Meeting. If you require more information or assistance, please call me at 212/264-7214.

Sincerely,

A handwritten signature in cursive script, appearing to read "Ann Rychlenski", is written below the word "Sincerely,".

Ann Rychlenski, Community Relations Coordinator and
Steering Committee Chair
