Dear Liaison Group Member:

This letter is to inform you that there will be a meeting of the Steering Committee under EPA's Community Interaction Program for the Hudson River PCBs Reassessment on Wednesday, August 5, 1992 at 7:30 p.m. in the Community Room of the Glens Falls National Bank, located at 250 Glen Street in Glens Falls, New York.

If there are any concerns you would like to have brought to the attention of the Steering Committee for possible consideration as an action item by the Hudson River Oversight Committee, please contact your Liaison Group Chair or Co-Chair before August 5th. Please remember that while observers to Steering Committee meetings are always welcome, seating is limited. In addition, since this is a working meeting, no questions and/or comments will be taken from anyone other than members of the Steering Committee during the proceedings.

Enclosed for your convenience is a listing of Liaison Group officers, complete with phone numbers. If I can be of any assistance to you, please feel free to call me at 212/264-7214. Thank you for your interest and continued participation in the Community Interaction Program.

Sincerely,

A handwritten signature in cursive script, which appears to read "Ann Rychlenski", is written over the typed name.
