

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

REGION II

JACOB K. JAVITS FEDERAL BUILDING

NEW YORK, NEW YORK 10278

October 19, 1992

Dear Liaison Group Member:

We have scheduled a Joint Liaison Group meeting for Thursday, November 5, 1992 at 7:30 p.m. at the Holiday Inn Express, located at 946 New Loudon Road in Latham, New York (exit 7 on the Northway). The focus of this meeting will be on the questions that the Liaison Group membership have for the Scientific and Technical Committee on the work that EPA is performing during Phase 2 of the Hudson River PCB RI/FS Reassessment.

This meeting is the first under the Community Interaction Program to bring together the general membership of the Liaison Groups with members of the Scientific and Technical Committee. During the past year, EPA has received requests for such a meeting from members of the public interested in the technical aspects of the Reassessment. This meeting is being held in response to that interest. Please make every effort to attend this unique forum for discussion of the technical aspects of EPA's Reassessment of the Hudson River PCBs Superfund site. Thank you for your continuing interest and participation in EPA's Community Interaction Program and I look forward to seeing you on November 5th. If you have any questions or require more information, please contact me at 212/264-7214.

Sincerely,

A handwritten signature in dark ink, appearing to read "Ann Rychlenski", is written over the typed name.

Ann Rychlenski, Community Relations Coordinator
External Programs Division
