Dear Liaison Group Member:

As you know, a few weeks ago Jim Behan resigned his position as Co-Chair of the Citizen Liaison Group to avoid a possible conflict of interest due to a career change.

On Thursday, February 18, the Citizen Liaison Group met in Schuylerville in order to elect a Co-Chair to fill the vacancy left by Jim's resignation. I am happy to announce that the newly elected Co-Chair of the Citizen Liaison Group is Katie DeGroot of Fort Edward, New York. Katie has been with the Community Interaction Program as an active member of the Citizen Liaison Group since its implementation in early 1990; and we are confident that she will bring the same level of commitment and responsibility to her new position as a Liaison Group officer that she has consistently demonstrated in her role as a member of the Citizen's Group.

Should you need to get in touch with Katie, she can be reached as follows:

**Katie De Groot**  
**De Groot Road**  
**Ft. Edward, New York 12828**  
**518/747-2521**

Thank you for your continued participation in the Community Interaction Program for EPA's Reassessment of the Hudson River PCBs Superfund site. If you have any questions, please contact me at 212/264-7214.

Sincerely,

*Ann Rychlenski*
