REGION II

JACOB K. JAVITS FEDERAL BUILDING

NEW YORK, NEW YORK 10278-0012

September 21, 1993

Dear Liaison Group Member:

On Wednesday, October 20, 1993, there will be a meeting of the Hudson River Oversight Committee (HROC) for EPA's Reassessment of the Hudson River PCBs Superfund site. The meeting will take place at 7:30 p.m., at the New Paltz Town Hall located at 1 Veterans Drive in New Paltz, New York.

As you know, it is at meetings of the Hudson River Oversight Committee (HROC) that public issues and concerns regarding the Reassessment are brought forward to the committee membership at large by the Chairs of the four Liaison Groups. This meeting will focus on the progress of the Reassessment, including activity updates since HROC last met. One year has passed since the last HROC meeting, and I am sure you have many questions you would like placed before the Oversight Committee.

Please make certain to get your questions/comments/concerns to your respective Chairpersons by October 13, 1993 so that they can be consolidated and sent on to us here at EPA to work up a cohesive working agenda in time for the meeting on October 20th. If you have any questions, you may contact me at 212/264-7214. The names and phone numbers of your Liaison Group Chairpersons are listed on the back of this letter, along with directions to the meeting place. As always, there will be a limited amount of seats for observers. Thank you for your continued participation in the Community Interaction Program for the Hudson River PCBs Reassessment and I look forward to seeing you soon.

Sincerely,
