Dear Liaison Group Officer:

As you can see by the enclosed, there will be a meeting of the Hudson River Oversight Committee on October 20, 1993, in New Paltz, New York. I have already contacted the Liaison Group membership to let them know that they should pass their questions and/or comments for this meeting on to you. I will be calling you about a week before the meeting to see what the members have come up with and where their questions fit in the agenda.

If you wish to meet with your groups before the HROC meeting, I will as always, be pleased to do a mailing for you. Thanks for your support and continued participation. If you have any questions, you may call me at 212/264-7214.

Sincerely,
