Dear Liaison Group Member:

The Community Interaction Program for the Hudson River PCBs Reassessment RI/FS calls for the meeting of a number of different groups contained within the program structure (Liaison Groups, Steering Committee, Hudson River Oversight Committee and Scientific & Technical Committee).

Since many of you can not make all of the meetings held, and since meeting minutes may not be as detailed as you would like, we have begun to videotape some of our more recent meetings. At this time the videotape of the Hudson River Oversight Committee Meeting, held in New Paltz, New York on October 20, 1993, is available at the following information repositories:

Saratoga Springs Public Library
320 Broadway
Saratoga Springs, NY
(see Claudia Hayes)

Adriance Memorial Library
93 Market Street
Poughkeepsie, NY
(see Muriel Vertibello)

County Clerks' Office
Washington County Office Bldg.
Upper Broadway
Ft. Edward, NY
(see Rosemarie Gregory)

Unfortunately, the visual portion of this tape is not of the best quality, due to the fact that the slide presentations made at this meeting were done in a darkened room. However, the audio portion of the tape is excellent. In addition, reproductions of the slide presentations made that evening are attached to the minutes of this meeting, which were mailed out to your Chairs and Co-Chairs, as well as to the information repositories. Should you wish to view the tape and follow along with the slide presentation, I will be happy to send you a copy. In addition, contributions to River Voices are due by 12/30/93. Thank you for your continued participation in the Community Interaction Program and have a happy holiday! As always, if you need to contact me you can call me at 212/264-7214.

Sincerely,

Ann Rychlenski
