January 3, 1995

Dear Environmental Liaison Group Member:

This letter will serve to notify you that effective January 1, 1995, Bridget Barclay of Sloop Clearwater will resign her position as Chair of the Environmental Liaison Group. In addition, Kate Reilly, one of your co-Chairs, has left the Environmental Clearinghouse of Schenectady and is therefore no longer eligible to serve as an officer of your group.

Needless to say, this creates a gap in the Liaison Group structure that you must fill by election. In order to accomplish this task, I have scheduled a meeting of the Environmental Liaison Group for Tuesday, January 17, 1995 at 7:30 p.m., at the Holiday Inn Express on New Loudon Road in Latham, New York. In case of severely inclement weather, we will hold the meeting at the same time and location on Thursday, January 19, 1995 (please call me if you have any questions regarding the meeting and weather conditions). This is an important meeting and an important election, and you should make every effort to attend. If you can not attend, please have a duly appointed representative of your organization attend in your stead so that you may continue to have a voice in this important process.

I know that you join with me in wishing Bridget and Kate all the best in their new endeavors, and in thanking them for the nearly five years of time and effort they have given to the Reassessment. I would also like to take this opportunity to welcome a new member to the Environmental Liaison Group, in the person of Bob Linck of the Sea Grant Program at the Cornell Cooperative Extension of Ulster County, in Kingston, New York. Bob is also the custodian of the Information Repository we have recently opened at that same facility. If you have any questions or need more information, please give me a call at 212/264-7214. I look forward to seeing you on January 17th in Latham.

Sincerely,

A handwritten signature in dark ink, appearing to read "Ann", is written over the typed name.
