Dear Liaison Group Member:

I am pleased to invite you to a Joint Liaison Group Meeting to discuss the upcoming release of the Phase 2 Report for the Hudson River PCB Reassessment. The meeting will be held on Wednesday, October 18, 1995, at 7:30 p.m., at the Best Western Albany Airport Inn located at 200 Wolf Road in Albany, New York. A map and directions to the Best Western are on the back of this letter.

EPA is calling this meeting to update you on the public release of the six volumes that comprise the Phase 2 Report and to brief you on the basic information which will be contained in each volume. We will also talk about some of the best ways to communicate this information to you and receive your comments as we make our way through this material. Please make every effort to attend this "Phase 2 Report Kick-Off Meeting", and if you have any questions or need more information you can contact me at 212/637-3672. Thank you for your kind consideration and your continued participation in the Community Interaction Program for the Hudson River PCBs Reassessment.

Sincerely,
