Dear Liaison Group Member:

On behalf of Ann Rychlenski, USEPA Region 2 Community Relations Coordinator for the Hudson River PCBs Reassessment RI/FS, I am pleased to announce the election of two new chairpeople on the Environmental Liaison Group.

At a meeting held October 10, John Santacrose of the Audubon Society of New York was elected Chairperson of the group, replacing Nonna Shtipelman who recently resigned. Josh Cleland from the Scenic Hudson organization was elected Co-chairperson, replacing Mr. Santacrose in that position.

As you all know, the Phase 2 reports are about to be released. The upcoming months will be information-intensive and certainly challenging. All liaison group chairpeople will be making every effort to assist EPA in getting that information to you group members. We urge you at this time to utilize your repositories to review reports as they are published, to come to Joint Liaison Group and other meetings, and to avail yourselves of every opportunity to participate in the progress of the project.

If you have any questions, please feel free to contact Ann Rychlenski on 212-637-3672. We look forward to seeing you at the Joint Liaison Group meeting scheduled for Wednesday, October 18, at 7:30 PM, at the Best Western Albany Airport Inn, 200 Wolf Road, Albany, NY.

Sincerely,

Karen M. Coghlan  
Community Relations Specialist
