Dear Liaison Group Member:

This letter is being sent out at the request of Sharon Ruggi of the Environmental Liaison Group and Tom Borden, Chair of the Agricultural Liaison Group, to announce a meeting of all Liaison Group members to be held on Tuesday, April 1, 1997 at 7:30 p.m. The meeting location is at First Pioneer Farm Credit on Route 29 in Greenwich, New York (approximately 3 miles east of Schuylerville and directly across from the Washington County Fairgrounds).

The purpose of this meeting is to gather all Liaison Group members for a discussion of EPA's most recently released Phase 2 Report documents, The Preliminary Model Calibration Report and the Data Evaluation and Interpretation Report, as well as to coordinate comments to these reports between the groups. In addition, some representatives of the General Electric Corporation have been invited by Sharon Ruggi to give a presentation on their (G.E.'s) work to date on the Reassessment and to discuss their comments to the EPA reports.

Please make every effort to attend this meeting, and if you have any questions or need more information feel free to contact me at 212/637-3672. Thank you for your continued interest and participation in the Community Interaction Program for the Hudson River PCBs Reassessment.

Sincerely,

A handwritten signature in dark ink, appearing to read "Ann Rychlenski".
