Dear Ms. Rychlinski:

The Rensselaer County Environmental Management Council (RCEMC) has been asked by the County Executive and the Legislature to monitor and participate in the Hudson River Reassessment program.

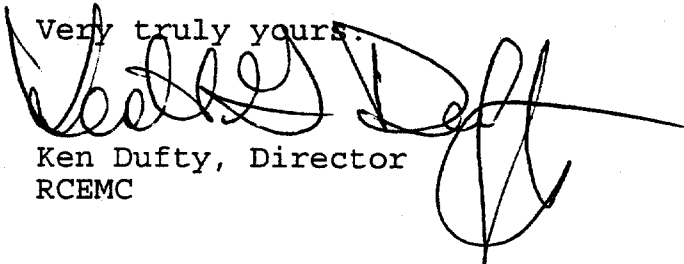

We would appreciate any assistance you could offer to facilitate our participation in this important assessment study. The RCEMC liaison will be:

Margaret Stein
449 Second Street, #3
Troy, New York 12180

All correspondence in this matter should be directed to Ms. Stein.

Thank you for your assistance in this matter.

Very truly yours,

Ken Dufty, Director
