Dear Liaison Group Member:

There will be a meeting of the Steering Committee for EPA's Hudson River PCB Reassessment on Monday, April 27, 1998, at 7:30 p.m. The meeting will be held at the Saratoga Springs Civic Center on Broadway in Saratoga Springs, New York.

Please contact your Liaison Group Chairs or Co-Chairs if there is a specific issue you would like for them to bring to the table on your behalf. While this is a working meeting between Steering Committee members, there will be a segment set aside for questions and comments from observers. In addition, if you have any items which you feel are suitable for in-depth discussion and placement on the meeting agenda, please get them to me by Monday, April 13, 1998. You may contact me at 212/637-3672. Thank you for your continued participation in the Community Interaction Program and I look forward to seeing you on April 27<sup>th</sup>.

Sincerely,

Ann Rychlenski, Steering Committee Chair
