To All Interested Parties:

Re: Joint Liaison Group Meeting, May 18, 1999

On behalf of Ann Rychlenski, USEPA Region 2 Public Affairs Specialist and Community Relations Coordinator for the Hudson River PCBs Reassessment Remedial Investigation/Feasibility Study, I would like to notify members of the Community Interaction Program's liaison groups and committees and other interested parties that the USEPA will host a Joint Liaison Group meeting on Tuesday, May 18, 1999 to present the findings of the Baseline Modeling Report.

The meeting will be held at the Albany Marriott, 189 Wolf Road in Albany, and will begin at 7:30 PM.

We look forward to seeing you there.

Yours truly,
TAMS Consultants, Inc.

Karen M. Coghlan, Associate
Community Relations Specialist
