Dear Governmental Liaison Group Member:

It has come to our attention that as the result of the election held in November, you no longer hold elected political office. Due to this circumstance, you are no longer eligible for membership on the Governmental Liaison Group, whose membership is limited to elected officials. We greatly appreciate the time and interest you have placed in your tenure with the Governmental Liaison Group and we hope that you will continue to be actively involved in EPA's Community Interaction Program for the Hudson River PCB Reassessment Project.

We would welcome your participation on the Citizen Liaison Group, or, if your interests are more specifically agricultural in nature or if you are a member of an environmental organization, you may wish to join the Agricultural or Environmental Liaison Group. Which ever is your choice, we look forward to working with you in the future as we have over the past year. Your input and contribution to this process is very important to the success of our Community Interaction Program, and ultimately, the Reassessment. If you have any questions, or if I may be of any assistance, please call me at 212/264-7214.

Sincerely,

A handwritten signature in cursive script, reading "Ann C. Rychlenski".
