Dear Scientific and Technical Committee Member:

The U.S. Environmental Protection Agency (EPA) has scheduled a meeting of the Scientific and Technical Committee (STC) for Friday, July 10, 1992. The meeting will be held at 10:00 a.m. at the Holiday Inn in Latham, New York. The agenda for the meeting is to discuss the Phase 2 Work Plan which EPA released on June 5, 1992. Please bring a copy of your comments to the meeting, or if you cannot attend, please forward your comments to me.

I would like to thank you for your patience during the last several months with respect to the controversy surrounding the committee and the lack of meetings. Your continued participation on the committee will ensure that the committee's contributions to the Reassessment will be valuable.

If you have any questions, please contact me at (212) 264-7508.

Sincerely yours,

*Douglas J. Tomchuk*
