

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

REGION II

JACOB K. JAVITS FEDERAL BUILDING  
NEW YORK, NEW YORK 10278-0012

SEP 23 1993

Dear Scientific and Technical Committee Member:

The U.S. Environmental Protection Agency has scheduled a meeting of the Scientific and Technical Committee (STC) for Tuesday, October 19, 1993. The meeting will be held from 9:45 a.m. to 4:00 p.m. at the Comfort Inn/Airport which is located at 866 Albany-Shaker Road in Latham, New York. The telephone number of the Comfort Inn/Airport (518) 783-1900. (Directions are enclosed.)

The meeting will provide STC members with information regarding the geophysical surveys that were conducted as a part of the Reassessment. In addition, the proposed low-resolution coring program will be discussed. I also think it would be informative for STC members to share with the committee their current work relating to PCBs and/or the Hudson River.

If you have any questions, please contact me at (212) 264-7508.

Sincerely yours,

A handwritten signature in cursive script, reading "Douglas J. Tomchuk", is written over a horizontal line.

Douglas J. Tomchuk, Project Manager  
Hudson River PCBs Site Reassessment
