To Members of the Scientific and Technical Committee:

On behalf of Doug Tomchuk, United States Environmental Protection Agency (EPA) Project Manager for the Hudson River PCBs Reassessment Remedial Investigation/Feasibility Study, I would like to inform you that a Scientific and Technical Committee meeting has been scheduled for Wednesday, June 16, 1999 at the Albany Quality Inn to discuss the Baseline Modeling Report. The meeting will run from 8:30 AM to 4:30 PM.

For your information, EPA will also host a public availability session from 2:30 to 4:30 PM and 6:30 to 8:30 PM the day before, Tuesday, June 15, at the Albany Marriott on Wolf Road to discuss the report with interested parties. Specialists who contributed to the report will be at both the availability session on Tuesday and at the Scientific and Technical Committee meeting on Wednesday.

Enclosed are directions to the Albany Quality Inn Hotel, 3 Watervliet Avenue, Albany, NY. Morning coffee service and lunch will be provided. The number at the hotel is 518-438-8431 for those of you who wish to make reservations for overnight accommodations.

Thank you for your continued interest in this very important project.

Yours truly,  
TAMS Consultants, Inc.
