

# EPA REVIEWS CLEANUP

## North Penn Area 2 Superfund Site

The U.S. Environmental Protection Agency (EPA) is conducting a Five-Year Review of the North Penn Area 2 Superfund Site located in Hatfield, Montgomery County. EPA inspects sites regularly to ensure that cleanups conducted remain fully protective of public health and the environment. Construction of this site's cleanup remedy was completed in 2012. Results from this first EPA cleanup review will be publically available by June 2017.
