EPA Announces the Availability of the Administrative Record for the Livemore Industrial Plating Site in Livemore, McLean County, Kentucky

The United States Environmental Protection Agency announces the availability of the Administrative Record for public review for the Livemore Industrial Plating Site (Site) in Livemore, McLean County, Kentucky.

In 2021, KYDEP referred the Site to EPA on February 25, 2021 for evaluation of a time-critical removal action. On April 26, 2021, EPA performed a sampling investigation to assess the contents of on-site containers. The data from the sampling event were used to confirm the accuracy of container labels in relation to their contents while also evaluating for the presence of hazardous waste. These chemicals, which were initially used as raw plating ingredients, are present in undiluted, high concentrations and are all hazardous substances. In January 2022, EPA started the removal of the materials from the drums, vats, and containers. EPA categorized all the materials based on their level of hazard. Liquid waste was treated to the greatest possible extent prior to its transportation to an off-site location. The Site's removal is planned to be completed by July 2022.

The Administrative Record file includes documents that form the basis for selection of the removal action. A removal action is a short-term cleanup intended to stabilize a site that poses an imminent and substantial threat to human health or the environment. Documents in the record may include a preliminary assessment and inspection report, test results, and the Action Memorandum.

While a copy of the Administrative Record will be available at the EPA Region 4's Superfund Records Center located at 61 Forsyth Street, S.W., Atlanta, Georgia, 30303, EPA Regional office is currently closed to the public for an unspecified period due to the ongoing situation with COVID-19. The public, however, may view the Administrative Record online at: <https://cumulis.epa.gov/supercpad/CurSites/csitinfo.cfm?id=0420304>.

For further information, please contact Zariah Lewis, EPA Community Involvement Coordinator at (404) 445-9863 or via email at [lewis.zariah@epa.gov](mailto:lewis.zariah@epa.gov). **MIKE HARMON**  
AUDITOR OF PUBLIC ACCOUNTS

To the People of Kentucky  
The Honorable Andy Beshear, Governor  
Holly M. Johnson, Secretary  
Finance and Administration Cabinet  
The Honorable Curtis Dame, McLean County Judge/Executive  
The Honorable Ken Frizzell, McLean County Sheriff  
Members of the McLean County Fiscal Court

Independent Auditor's Report

**Report on the Financial Statement**

We have audited the McLean County Sheriff's Settlement - 2020 Taxes for the period May 16, 2020 through April 15, 2021 - Regulatory Basis, and the related notes to the financial statement.

**Management's Responsibility for the Financial Statement**

Management is responsible for the preparation and fair presentation of the financial statement in accordance with accounting practices prescribed or permitted by the laws of Kentucky to demonstrate compliance with the Commonwealth of Kentucky's regulatory basis of accounting as described in Note 1. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and the *Audit Guide for Sheriff's Tax Settlements*, issued by the Auditor of Public Accounts, Commonwealth of Kentucky. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles**

As described in Note 1 of the financial statement, the financial statement is prepared by the McLean County Sheriff on the basis of accounting practices prescribed or permitted by the laws of Kentucky to demonstrate compliance with the Commonwealth of Kentucky's regulatory basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

**Adverse Opinion on U.S. Generally Accepted Accounting Principles**

In our opinion, because of the significance of the matter discussed in the Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles paragraph, the financial statement referred to above does not present fairly, in accordance with accounting principles generally accepted in the United States of America, the taxes charged, credited, and paid of the McLean County Sheriff, for the period May 16, 2020 through April 15, 2021.

**Opinion on Regulatory Basis of Accounting**

In our opinion, the financial statement referred to above presents fairly, in all material respects, the taxes charged, credited, and paid for the period May 16, 2020 through April 15, 2021 of the McLean County Sheriff, in accordance with the basis of accounting practices prescribed or permitted by the Commonwealth of Kentucky as described in Note 1.

**Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated January 5, 2022, on our consideration of the McLean County Sheriff's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the McLean County Sheriff's internal control over financial reporting and compliance.

Respectfully submitted,

Mike Harmon  
Auditor of Public Accounts
