**Subject: Radio Announcement, 60 Second Spot for Morning Drive Issuance of a  
Draft Renewal Permit for Univar Solutions USA, Inc.**

Dear Sir or Madam:

Thank you in advance for fulfilling our request for a public radio announcement for Univar Solutions USA, Inc. concerning its draft permit renewal permit modification. Attached, please find a copy of the announcement. Ohio EPA requests that it be aired one (1) time only, during morning drive on June 4, 2024. The announcement should take approximately one minute to read. Please send all billing information to:

Ohio EPA, DERR  
Attn: Terri McCloskey, Administrative Officer  
P.O. Box 1049  
Columbus, Ohio 43216-1049

If you have any questions please call (614) 644-2924

Sincerely,

Elijah Lucas, Environmental Specialist  
Division of Environmental Response and Revitalization

## **60 – SECOND SPOT FOR MORNING DRIVE**

**May --- 2024**

On May 31, 2024, the Director of Ohio EPA issued a Draft Renewal Permit and Class 3 Modification to Univar Solutions USA, Inc. (Univar) located at 2854 Springboro West, Moraine, Ohio 45439. Univar submitted a renewal application on April 4, 2023, for their Resource Conservation and Recovery Act (RCRA) Hazardous Waste Facility Installation and Operation Permit. This permit renewal allows the facility to continue corrective action and to continue storing ignitable, corrosive, and toxic hazardous wastes in containers. The permit modification also allows the facility to store reactive (D003) wastes in containers only.

You may send written comments or request a public meeting concerning the draft action to Ohio EPA, Division of Environmental Response and Revitalization, P.O. Box 1049, Columbus, Ohio 43216-1049 no later than the close of business on July 22, 2024. To obtain more information regarding the draft permit, please call (614) 644-2924.

This announcement was paid for by Ohio EPA.

## **Public Notice Language for APU or PRMU Form**

On May 31, 2024, the Director of Ohio EPA issued a Draft Renewal Permit and Class 3 Modification to Univar Solutions USA, Inc. (Univar) located at 2854 Springboro West, Moraine, Ohio 45439. Univar submitted a renewal application on April 4, 2023, for their Resource Conservation and Recovery Act (RCRA) Hazardous Waste Facility Installation and Operation Permit. This permit renewal allows the facility to continue corrective action and to continue storing ignitable, corrosive, and toxic hazardous wastes in containers. The permit modification also allows the facility to store reactive (D003) wastes in containers only.

For the permit application to receive final approval, Ohio EPA must determine that the permit application is complete and meets appropriate standards and that the applicant has a history of compliance with relevant environmental laws and demonstrates sufficient reliability, expertise, and competency to operate a hazardous waste facility.

The draft permit can be viewed at the Kettering-Moraine Public Library, located at 3496 Far Hills Ave, Dayton, OH 45429.

The draft Permit and Permit Application can be viewed at: Ohio EPA, Southwest District Office, 401 E. Fifth Street Dayton, Ohio 45402, (937) 285-6357 or at Ohio EPA Division of Environmental Response and Revitalization, 50 W. Town St., Suite 700, Columbus, OH 43215 (614) 644-2924 and online under the “Announcements” tab at: <https://epa.ohio.gov/divisions-and-offices/environmental-response-revitalization> .

Questions to the facility regarding the permit application should be addressed to Erik Otto, Univar Solutions USA, Inc., 2854 Springboro West, Moraine, OH 45439.

The public comment period begins on May 31, 2024 and ends on July 22, 2024. You may send comments concerning the Draft Renewal Permit or requests for a public meeting [PUBCOMMENT@epa.ohio.gov](mailto:PUBCOMMENT@epa.ohio.gov) or Ohio EPA, Division of Environmental Response and Revitalization, Attn: Elijah Lucas, DERR, P.O. Box 1049, Columbus, Ohio 43216-1049, not later than July 22, 2024.
