DISCLAIMER: Every reasonable effort has been made to assure the accuracy of the parcel and base map data presented. The Iberville Parish Assessor makes no warranties, express or implied, regarding the completeness, reliability or suitability of the site data and assumes no liability associated with the use or misuse of said data. Monthly updates to the parcel data are scheduled, however the Assessor retains the right to make changes and update data on this site at anytime without notification. The parcel data on the base map is used to locate, identify and inventory parcels of land in Iberville Parish for assessment purposes only and is not to be used or interpreted as a legal survey or legal document. Additional data layers not originating in the Assessor's Office are also presented for informational purposes only. Do not use this information for any legal matters without outside verification or confirmation.
