**How many hot humid days a year does Spokane, Washington have?**

**How many cloudy days a year does Spokane, Washington have?**

**How many sunny days a year does Spokane, Washington have? How sunny is it?**

**How many windy days a year does Spokane, Washington have? How windy is it?**

**See below for the answers!**

Month	Number of hot, humid days	Number of very windy days	Number of windy days	Number of somewhat windy days	Number of calm days	Number of clear days	Number of moderately cloudy days	Number of somewhat cloudy days	Number of very cloudy days
January	0	0	10	21	0	3	1	5	20
February	0	0	28	0	0	4	2	6	15
March	0	21	10	0	0	4	2	8	14
April	0	30	0	0	0	4	3	9	12
May	0	30	1	0	0	6	3	10	10
June	0	28	2	0	0	6	4	10	8
July	0	4	27	0	0	13	4	7	4
August	0	0	31	0	0	14	5	7	4
September	0	0	30	0	0	12	4	7	5
October	0	0	31	0	0	8	3	8	10
November	0	0	30	0	0	4	2	5	18
December	0	0	8	23	0	3	2	5	20
Average year	0	113	208	44	0	85	39	93	145

(Note: Humidity, wind, and cloudcover information is based on (a) 30 year averages and in many cases (b) a large nearby weather station. If you're in an area with a lot of "micro climates" actual conditions may vary.)

Jenny the census dog says  
Pomeranians count too!

Disclaimer: The information presented here are for the general population, assume the same rate of crime in the future, and an evenly distributed amount of crime throughout the city in question. They are not meant to accurately predict whether one person in particular will be a victim of crime. Percentages are based on the population of the city/town in question, except for burglaries, which are based on the number of households.
