The Elizabeth Mine cleanup is in danger of falling apart and we need your help to keep the project moving forward. The Vermont Agency of Natural Resources (ANR) wants to know what the community feels about moving ahead with a cleanup and about the disposition of Tailing Pile 3. At the bottom of this email is additional information about the project which helps to explain our support for the following petition. Please take a couple of minutes to read, sign and return the petition (also enclosed). You can either copy and return email the petition with your name, address and email address typed in or you can print a copy of the petition, sign it, collect other signatures if possible and return it to us no later than next Tuesday, 3/26. The Elizabeth Mine Community Advisory Group has a meeting with ANR Wed. 3/27 and we want to present them with all of the signatures. Completed petitions should be emailed to: bobwalker@valley.net or mailed to Bob Walker, Elizabeth Mine Study Group, 432 Ulman Rd., Thetford Center, VT 05075.
